

ABOUT US

Yacht Décor, Inc. began in 1978, when Betty Cordle became one of the first to specialize in yacht interiors in the south Florida area.

Starting in Miami, then moving to Ft. Lauderdale (the Venice of the Americas), Yacht Décor maintains a strong presence in both the yachting and design communities. Throughout the 80s and 90s, Betty was the face, the brains and the brawn of Yacht Décor. In the early 2000s, Betty turned the company over to her daughter Dana, who continues to uphold the tradition of service excellence, creativity and integrity.
