## At Your Service!

Marsha Yachting srl is a vibrant registered Yacht & Ship Agency, perfectly organized to meet Captain's, crews and guests requests.

Based in Naples, we are able to reserve berths and offer the necessary support both at sea and onshore in the immediate vicinities: from Ponza to Ischia; Pozzuoli to Naples; Capri to Sorrento and the Amalfi coast, from Salerno to Agropoli and Paestum, as well as in the whole Mediterranean and Europe.

Our availability 24/7, together with our hands-on approach and very personal assistance to our clients allows us to cut the response time, thereby facilitating the ships sailing and allowing guests to truly enjoy their charter.

We take pleasure in meeting the challenges put to us by the yachts and have a great group of suppliers and agents who work with us, guaranteeing the standards we set out...The Highest!

With more than 10 year experience in the yachting business, our outgoing personality, coupled to high professional standards, have gained us respect and continuous collaboration with many mega-yacht captains.

We are available to organize your charter in the Mediterranean and Europe and look forward to hearing from you. If you are heading our way we have new suggestions to satisfy and entertain your guests: private beach party; personal trainers on board; hiking, biking, diving tour; visits to the Phlegraean Fields; jet and helicopter transfers; air balloon tour...etc.

Always at your disposal and see you this season!
